Rotary Screw Natural Gas Compressor

U.S made gas end

Innovative, high-quality and reliable

Tailored compressor system

Water or air cooling

All climate design container package

Capacity upto 3.6MMSCFD

Meet your needs

Screw Natural Gas Compressor

High air rotary screw natural gas compressors are extremely cost-effective for handling high volumes of gas in field gathering, vapor recovery, and other applications. Rotary screw natural gas compressors are ideal in large volume/low suction pressure applications and to upgrade existing reciprocating compressor installations. Since they operate with few moving parts, low maintenance and high reliability are inherent in rotary screws.

As the authorized compressor packager by US gas ends manufacturers, High Air dedicates itself to providing the best services and products for customers all over the world. We can customize the products based on customer requirements.

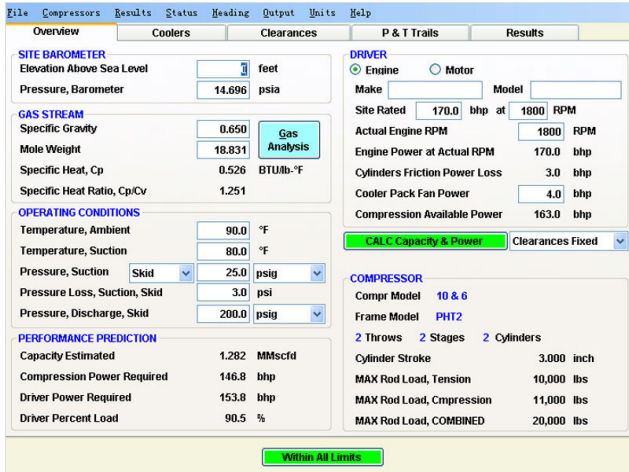

Features

- Skid with market proven US made gas ends.
- Versatrol internal bypass valves (option)
- VFD control (option)
- Wide range of capacity control, full automatically.
- All climate design, even for tough environment.
- Full-automatic control can realize the system running without anyone on duty.
- Adjustable Vi match the internal compression to the application requirement for maximum compression efficiency.
- 6000V/10000V explosion-proof motor upon request.

Application

- Gas gathering
- Well head gas compression
- Fuel gas boosting/cogeneration
- Vapor recovery
- Inert gas boosting
- Landfill gas

- Coalbed methane
- Landfill/bio gas

Professional calculation

2 natural gas compressors for flare gas recovery
 Inlet pressure 3.6PsiG, outlet pressure 12PsiG
 30000M3/D 220KW
 Gas gathering

Water cooled natural gas compressors for cogeneration
 Inlet pressure 10PsiG, outlet pressure 30PsiG
 60480M3/D 140KW
 Fuel gas boosting

Coalbed methane compressors for Asian American Gas Inc
 70000M3/D 320KW 380V motor driven
 100000M3/D 420KW 6000V motor driven

Besides this rotary screw natural gas compressor with air-cooled or water-cooling cooler design, HIGH Air Company, as a trustworthy air compressor manufacturer, also provides boil off gas compressor, high pressure air compressor, helium compressor and so on. With years of experience in designing and manufacturing industrial compressors, our company is able to offer air compression solutions for customers.
