Coalbed Methane Compressor

Oil flooded screw natural gas compressor

US made gas end

Suction 0.67bar to 3.45barG

Delivery upto 35barG

Capacity upto 3.6MMSCFD

Proven skid-type

Meet the requirement of portable works

Containerized Solution

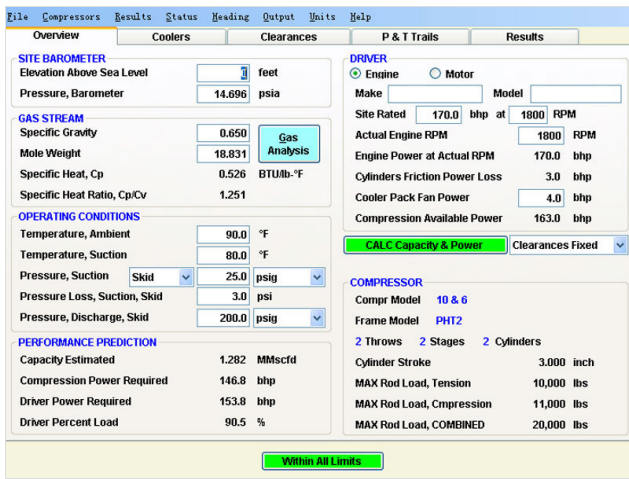

Optimal solutions

Description

High air rotary screw coalbed methane compressors are highly cost-effective for handling high volumes of gas in field gathering. Rotary screw natural gas compressors are ideal in large volume/low suction pressure applications and to upgrade existing reciprocating compressor installations. Since they operate with few moving parts, low maintenance and high reliability are inherent in rotary screws. As the authorized compressor packager by US gas ends manufacturers, High Air dedicates itself to providing the best services and products for customers all over the world. We can customize products based on customer requirements.

Features

- Skid with market proven US made gas ends.
- Versatrol internal bypass valves(option)
- VFD control(option)
- Wide range of capacity control, full automatically.
- All climate design, even for tough environment.
- Fully-automatic control can realize the system running without anyone on duty.
- Adjustable Vi match the internal compression to the application requirement for maximum compression efficiency.
- 6000V/10000V explosion-proof motor upon request.

Professional calculation

Coalbed methane compressors for Asian American Gas Inc
 70000M3/D 320KW 380V motor driven
 100000M3/D 420KW 6000V motor driven

Coalbed methane compressors for Asian American Gas Inc
 70000M3/D 320KW 380V motor driven
 100000M3/D 420KW 6000V motor driven

Coalbed Methane Compressors for CNPC
 30000M3/D 220KW 380V motor driven

HIGH Air Company, as a reliable air compressor manufacturer in China, provides coalbed methane compressor, biogas compressor, PET compressor, and high pressure air compressor to choose from. With decades of experience in compressor production, our company can offer a variety of natural gas compressors and industrial compressors, as well as air compression solutions in client specific needs.
